

Apprentice Electrician

Vacancy Reference No: 8

Job Purpose:

As an apprentice, you will work in a team of electricians on various issues across the stadium, shadowing a qualified electrician.

You will work in accordance with all relevant safety legislation, relating to health, safety and the environment.

Principal Accountabilities:

- Ability to take instruction, and self-motivated to learn and develop.
- Communicating effectively with colleagues and clients when required.
- Continually work to high standards
- Comply with health and safety requirements, safety legislation and understand the effects of the legislation with regards to the work environment and particular vocation

Candidate Requirements:

Essential:

- Excellent people skills to work with staff and customers at all levels
- Excellent organisational and planning skills
- The ability to take on responsibility when required

Desirable:

- Hold (or have predicted grades) GCSE or equivalent 5/C grade or above in English, Maths and Science and two other subjects.

You may already be training as an apprentice at Level 1, 2 or 3 and currently be attending an electrical installation course, or you may be seeking a career without any relevant training to date. Either levels will be considered.

If this role appeals to you and you would like to become part of the Sheffield Wednesday family, please send your CV to vacancies@swfc.co.uk. Submitted CVs must contain at least two references and should specify current salary and salary expectations.

Closing Date: 6th April 2018
