Community Programme Aims and Objectives

The Sheffield Wednesday Football Club Community Programme (SWFCCP) is the Football Club's charitable arm, established to support the development of cohesive communities around South Yorkshire and to seek to increase engagement, training provision and support amongst its residents working across four key themes:

Social Media

Sheffield Wednesday have official social media accounts on Facebook, Twitter, Instagram and YouTube. Supporters can access official information and news on Sheffield Wednesday through these accounts. Supporters should note that if they chose to contact us through these channels we cannot guarantee a response. Those wishing to enquire about a department or make a complaint should follow the procedure outline in the Customer Service section of this Customer Charter.

Our Complaints Policy

Whilst we aim to deliver a high level of customer satisfaction, we acknowledge that from time to time problems do occur. We are committed to ensuring that every effort is made to resolve any difficulties quickly and to your satisfaction. However, in the unlikely event that you feel your issue needs to be escalated, you can contact us in

person, via email or over the telephone. If you feel we have fallen short of your expectations, be it the level of service you have received, a policy we operate, or a product we have sold, it's important you let us know.

How do I make a complaint?

It is important to us that you raise any concerns you may have as soon as you can to help us bring the issue to resolution in a timely manner. As soon as the issue is identified, we ask you immediately to raise this with the relevant member of staff related to your query, or their line manager. Should this not resolve your issue, we request that you raise your issue with us including as many details of the issue as you can indicating the department which you feel is responsible for resolving the issue. This can be done by emailing the relevant department email address or write to us at Sheffield Wednesday Football Club, Hillsborough, Sheffield, S6 1SW.

What happens next?

We will endeavour to acknowledge and respond to the complaint within 48 working hours of receipt and look to resolve the issue within seven working days. Should we require further time to investigate, we will provide regular updates at agreed timeframes. On occasion, should a single issue lead to a particular volume of correspondence, the club will address this on its official website, swfc.co.uk.

It is our policy that the department to which your complaint relates is responsible for the reply. As soon as a complaint is received, this will be assigned a priority based on the criteria below and will be handled by the agreed manager within that department.

The manager dealing with your issue will provide an acknowledgement via the medium by which the contact was made, providing a brief overview of actions to be taken and giving a date to provide the next update, their name, position within the business and any required contact details.

What do I do if I am unhappy with the reply to my complaint?

Should you be unhappy with the response from the club, then you can refer the complaint to the Independent Football Commission, all communications should be sent to The Independent Football Ombudsman, Suite 49, 57 George Street, Leeds, LS1 3AJ, email contact@theifo.co.uk or call 0800 588 4066 who will investigate and report findings back to all parties

Is it worth me complaining?

In a world where people all have differing opinions, it is difficult for us to implement policies and procedures which will satisfy everyone all the time. It is of the utmost importance that you take time and feel passionately enough to raise your concerns to us when you feel we have got something wrong. The only way we can improve is to listen to your feedback and act on this where we can, immediately or by taking this into account when planning for our future.

Equal Opportunities

SWFC is an equal opportunities employer and welcomes applications for any group.

Equality Policy

All club staff, members, supporters, clients will be treated fairly and respectfully with full regard to the protected characteristics of the Equality Act 2010 of age, disability. Gender reassignment, Marriage and Civil Partnership, Pregnancy and Maternity, Race, Religion or belief, Sex or Sexual Orientation.

Fans Code of Conduct

Fan Watch - Hillsborough Stadium Spectators Code of Conduct

Our aim is to restore family values and eradicate anti social behaviour which causes offence. We, as a Club, are committed to preventing provocation and incitement of other individuals which may lead to breaches of the peace.

Language - obscene racist or homophobic chanting is a criminal offence and offenders may be ejected from the stadium and arrested, and will face a Club ban and prosecution.

Safety is of paramount importance and we will not allow spectators to act in a way which may put themselves or others at risk. We have extensive CCTV coverage in all parts of the ground, including concourse areas, with recording facilities. Spectators who are seen to be breaching our 'Code of Conduct' may be excluded from the game in progress, future games and may receive a Club ban.

We know that coming to football for some is a way of life, the culmination of their working week. For others, it is an enjoyable day out, with friends or family. However, it is clear that true football fans are disgusted by the actions of a small minority who seek to ruin the enjoyment of others by their continual use of bad language, racist or homophobic comments or by using inciting behaviour which is likely to lead to a breach of the peace. Over the past few seasons, our policy of warning offenders has proven to be very successful and we aim to build on this success with your help. We are committed to making your day enjoyable, but if you have cause to complain about other fans' behaviour, draw it to the attention of the nearest Steward. If you feel it too intimidating to approach a Steward, text us on **07963 138580** and we will deal with your complaint swiftly and in complete confidence. Please include the relevant row and seat numbers and a brief description of the complaint. We will then monitor the area you have pinpointed and take the necessary appropriate action.

Alternatively call us on the working day after the match on 03700201867 and discuss your complaint with us; or e-mail operationenquiries@swfc.co.uk; or write to:
